

Investment policy

EXCLUDED SECTORS

Excludes are businesses whose activities could be controversial, demeaning to people or with whom it would be unreasonable to associate the name of FONDS FQ, as well as those of its sponsors and partners, including:

- All companies carrying out illegal activities
- Companies that manufacture, trade and export weapons or ammunition
- Companies that negotiate directly with governments or residents of countries that are prohibited by the Government of Canada, or companies that import or export prohibited goods
- Nightclubs, bars, salons, cabarets, discotheques and other similar entertainment establishments operating as a business and not as part of another establishment within the accommodation, tourism or culture industry
- Companies for which the majority of revenues come from gambling activities, including (i) casinos, bingo halls and racetracks, if gambling activities are present, (ii) gambling machine operators and companies specializing in lottery ticket distribution and/or retail sales
- Companies specializing in video arcade or billiard/pool hall operations
- Or any other business with which it would be unreasonable to associate the names of the sponsors or partners
